

21st Annual Candlelight Memorial
Remembering Those Lost to Suicide

"Finding Hope & Healing After Suicide Loss"

Come join those left behind by the loss of a loved one to suicide. You are not alone and will find comfort with many others remembering your loved one's life. This is our 21st year holding this vigil where we can find hope & healing with one another after a suicide loss.

The memorial will consist of shared remembrances and recollections, life keeper memory quilts, music, reading of loved one's names and the lighting of candles. If you would like to be part of the program in any way such as speak, sing, play music, etc and/or would like your loved one's picture in the video please contact Linda Falasco @lindafalasco@icloud.com. You make the program what it is! If we do not have your loved one's name please send it to be remembered.
